

IN THE DRAWINGS

As the Examiner pointed out in the Office Action, Figures 3 and 4 are identical. Therefore, Figure 4 has been canceled, and Figures 5-10 have been renumbered as Figures 4-9, respectively. Applicant has submitted replacement drawing sheets showing the renumbering of Figures 5-10. Entry of the replacement drawings is respectfully requested.

1. The first step in the process is to identify the problem. This involves gathering information about the situation and understanding the needs of the stakeholders involved.

2. Once the problem is identified, the next step is to develop a plan. This involves setting goals, identifying resources, and determining the steps that need to be taken to address the problem.

3. The third step is to implement the plan. This involves putting the plan into action and monitoring progress to ensure that the goals are being met.

4. Finally, the fourth step is to evaluate the results. This involves assessing the effectiveness of the plan and making adjustments as needed to improve the outcome.
